NOTICE TO CEASE UNLAWFUL TRANSPORTATION OPERATIONS IN THE CITY OF LOS ANGELES

Dear Mr. Paul:

Your company, Sidecar, LLC. ("Sidecar"), is illegally operating an unlicensed, for-profit, commercial transportation service in the City of Los Angeles. The City has no records that would establish that Sidecar has obtained the necessary permits required under Los Angeles Municipal Code Section 71.00 *et seq.*, to allow Sidecar to legally operate its business in the City of Los Angeles.

Due to the fact that your company has no permits or license to transport passengers for hire, in the interest of public safety, **Sidecar, including all of its agents and contractors, is hereby directed to cease and desist from picking up passengers within the City of Los Angeles. This notice to cease illegal operations shall remain in effect until such time as your vehicles and drivers are properly permitted.**

We suggest that you inform all drivers operating under the aegis of Sidecar that failure to comply with this due notice is a misdemeanor offense and subject to criminal prosecution pursuant to Los Angeles Municipal Code, Section 71.02 and may result in the arrest of drivers and the impoundment of vehicles for up to 30 days.

If you have any questions regarding this matter, please contact me at (213) 972-8431.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom Drischler".
